Re: **Docket UG-180740 (Advice No. 2018-37) Do Not Redocket  
PSE's Natural Gas Tariff Filing - Filed Electronically**

Dear Mr. Johnson:

Puget Sound Energy ("PSE") hereby submits, in connection with Docket UG-180740, the following substitute tariff sheets to replace those submitted on August 31, 2018, under the PSE's Advice No. 2018-37. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of PSE's WN U-2 Tariff for natural gas service:

- 15<sup>th</sup> Revision of Sheet No. 1129 - Low Income Program
- 1<sup>st</sup> Revision of Sheet No. 1129-A.1 - Low Income Program (Continued)

The purpose of this substitute tariff filing is to include low income funding in proportion to the decoupling mechanism residential rate increase effective May 1, 2018 in UG-180281, as prescribed in Paragraph 177 of Order 07 in Dockets UE-121697 and UG-121705 (consolidated) issued jointly with Order 07 in Dockets UE-130137 and UG-130138 (consolidated). Accordingly, this substitute tariff filing revises the natural gas Low Income Program Annual Cap from \$4.701 million to \$4.885 million, and the combined Annual Cap from \$23.512 million to \$23.697 million. The Commission's Staff and PSE are in agreement that the revenue requirement will be trued-up in PSE's 2019 Low Income Program rate adjustment filing. Details supporting this revision are included in work papers provided with this filing.

Additionally, this substitute filing serves to clarify that PSE's original August 31, 2018 advice letter incorrectly referenced Sheet No. 1129-A. Sheet No. 1129-A is not included in Docket UG-180740. The correct sheet name is Sheet No. 1129-A.1.

The tariff sheets described herein reflect the original issue date of August 31, 2018, and effective date of October 4, 2018. As required by WAC 480-90-193, PSE has posted the proposed tariff sheets on the PSE web site coincident with the date of this transmittal letter.
