RE: Tariff Submittal, Tariff Number 13, Harold LeMay Enterprises, Inc. dba Harbor Disposal and Eastern Grays Harbor Disposal, G-98

Dear Mr. Johnson:

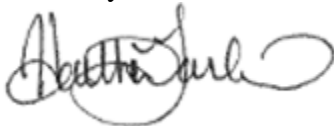

Our Company has been notified by Grays Harbor County Department of Public Services that the tipping fee at the Central Transfer Station will increase from \$104.85 to \$106.77 per ton, a 1.8% increase, effective January 1, 2020. We project this will increase revenue for the residential service by \$9,900 (.67%); for commercial service by \$7,300 (.74%); and drop box service by \$8,500 (1.8% pass through) for a 12-month period. There are approximately 6,500 residential, 914 commercial, and 40 drop box customers affected by this change.

The last general rate increase for Gray's Harbor Disposal was approved by the Commission, June 1, 2018.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2020. Pursuant to WAC 480-70-271(2) (iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or via email at heatherg@wcnx.org.
