RE: Commission Staff's Letter Confirming Compliance
DG-200424, Edge West LLC - Investigation # 8169

Dear Ms. Maxwell

Commission staff (staff) has reviewed the compliance order for Edge West, LLC (Edge West or Company) dated July 6, 2021. Compliance with the order required the Company to pay a \$6,000 penalty for two violations of RCW 19.122.

On August 19, 2020, Edge West was issued a Penalty Notice by the Commission in the amount of \$6,000 for two violations. On October 23, 2020, the Company submitted a request for mitigation to the Commission. On July 6, 2021, the Commission issued an order denying mitigation, imposing the \$6,000 penalty, and suspending the entire amount for 12 months, on the condition Edge West has no further violations of 19.122.

Staff believes Edge West has fully complied with the Commission's order, and further compliance under this order is no longer necessary. Staff recommends the Commission waive the suspended \$6,000 penalty amount and close the docket.

Sincerely,

Sean Mayo
Pipeline Safety Director
