RE: Revised Commodity Credit and Services Rates, G-12 Tariff Number 11 for Rabanco Ltd (dba Rabanco Companies, Eastside Disposal, and Rabanco Connections).

Dear Mr. Johnson:

Please find attached revised tariff pages associated with tariff revisions for G-12 Tariff Number 11 for Rabanco Ltd (dba Rabanco Companies, Eastside Disposal, and Rabanco Connections).

This proposed change in the tariff reflects the change in the commodity credit for residential customers in the Service Areas in Appendix A and Appendix B from a credit of \$0.36 to a debit of \$0.02 per month and for multifamily customers, from a credit of \$0.22 to a debit of \$0.04 per yard.

The other proposed change in tariff reflects a rate increase due to a 0.25% increase in Washington State B&O tax (effective April 2020) and an increase in residential yard waste disposal rate to \$65 per ton (effective September 2020). We are asking that this rate become effective on August 1, 2020.

If you have any questions please don't hesitate to contact me
