Hi Patrick,

Beeline would like to revise the docketing notice and drop from its application two specific components. It no longer seeks to apply for service to downtown Seattle and it will not seek authority to provide door-to-door service.

The revisions it is requesting are reflected in the attached.

Thank you,

Blair I. Fassburg

Subject: Beeline Extension Docket notice review

Beeline Tours,

Please review the attached draft docket notice for your extension application for accuracy. If there are any changes, please let me know as soon as possible. Ideally, this will be posted today and the 30-day protest period will close on March 16, 2022. At this time there were no issues with the application that would need to be addressed.
