**Re: Docket UG-220138 (Advice No. 2022-05)
PSE Natural Gas Tariff Revision – Do Not Redocket**

Dear Ms. Maxwell:

Puget Sound Energy (“PSE”) hereby submits in connection with Docket UE-220138 and its Advice No. 2022-05, a revised cover letter to replace the cover letter that accompanied its March 29, 2022 substitute filing.

At the request of the Commission’s Staff, the purpose of this substitute filing is to clarify in its March 29, 2022 cover letter that PSE respectfully requests that the Commission grant a waiver of its rule WAC 480-80-111(1)(b) Substitute Tariff Filings. PSE’s the March 29, 2022 substitute filing incorporated a new load forecast into its calculation of rates. This resulted in a slight increase to the rates it originally filed on March 1, 2022.

Posting as required by WAC 480-90-193 is being accomplished on the PSE web site coincident with the date of this transmittal letter. Please contact Julie Waltari at julie.waltari@pse.com or (425) 456-2945 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon A. Piliaris
