Docket # TE-220239

Hi,

This is Vicky Sandhu DBA Seattle top class limo, writing this email to please re- considering for penalty for Drug test program, as i and jason talked over the phone, when asked do i have to send my previous employee for drug test and was answered that not previous but anyone i am hiring from now on, and still got request denied, then i called DFB and talked to jasmine and she said i had to to do pre employment test for all employees, no matter what. So she helped me to send my driver for pre employment drug test, which i am attaching a copy of that he completed pre employment drug test and now enrolled in my company random drug testing program.

Its a hard time to pay fine , please re consider it. Have one driver on random drug program in my own program with DFB, hiring new employee (posted in few places that we are hiring with passengers endorsements license), as soon as some one reach me put will send him/her to pre employment drug test.

Please see attached test report of my driver and don't know how your process works, if wants to check with DFB, you can do it anytime.

Sincerely,

Vicky sandhu
