RE: *Washington Utilities and Transportation Commission v. Sky Harbor Shuttle, LLC*  
Commission Staff Compliance Update for Order 01 and Recommendation  
Docket TE-220755

Dear Mr. Killip:

On January 6, 2023, the Washington Utilities and Transportation Commission entered Order 01 (Order) in docket TE-220755. Order 01 reduced the assessed penalty of \$10,100 to \$5,200 against Sky Harbor Shuttle LLC, (Sky Harbor Shuttle or Company) and suspended a \$2,600 portion of the penalty for two years, and then waived, subject to the following conditions:

- (1) Commission staff (Staff) conduct a follow-up investigation in two years after the effective date of the Order;
- (2) Sky Harbor Shuttle does not incur any repeat critical or acute violations upon reinspection; and
- (3) The Company pay the \$2,600 portion of the penalty that is not suspended or file a mutually agreeable payment plan with Staff within 10 days of this Order.

On February 4, 2023, Sky Harbor Shuttle paid the \$2,600 portion of the penalty that was not suspended in full.

On October 24, 2024, Staff completed the required follow-up investigation, which resulted in a satisfactory safety rating. The Company did not receive any repeat critical or acute violations.

Staff find that Sky Harbor Shuttle satisfied the conditions of Order 01 and recommend that the \$2,600 suspended penalty be waived.
