St. John*	UT-230632	Build to new locations	\$ 84,541
Hood Canal	UT-230610	Build to new locations	\$ 137,780
Four Companies Subtotal			\$ 734,265
Seventeen Companies Total			\$ 4,848,686

* These eight companies have elected to receive Enhanced ACAM from the FCC and are required to deploy 100/20 Mbps or faster to 100 percent of the locations within their study area by 2028. However, as of the date of the petition, these companies have not yet been authorized to receive Enhanced ACAM support.
