RE: Standards for Interconnection to Electric Utility Delivery Systems,
WAC 480-108, Docket UE-060649

TO ALL INTERESTED PERSONS:

The Washington Utilities and Transportation Commission (Commission) has adopted permanently, new and amended rules in WAC 480-108, relating to Electric Companies—Interconnection with Electric Generators in Docket UE-060649. The Commission filed its Adoption Order with the Code Reviser on September 27, 2007. It will be effective on the 31st day following filing.

The rules in WAC 480-108 requires electrical companies under the Commission's jurisdiction to offer interconnection service for customer-owned generation facilities up to a generation capacity of 20 megawatts and specify the terms, conditions and qualifications governing such service.

The Adoption Order, rules, comment discussion memoranda and staff memorandum presented at the adoption hearing are available for inspection on the Commission's web site at www.utc.wa.gov/060649. The Commission will send paper copies of these documents or send copies via electronic mail, if requested. To receive the documents in this manner you may (1) call the Commission's Records Center at 360-664-1234, (2) e-mail the Commission at records@utc.wa.gov, or (3) mail a written request to the address below. When contacting the Commission, please refer to Docket UE-060649. The Commission's mailing address is:

Executive Secretary
Washington Utilities and Transportation Commission
Richard Hemstad Building
1300 South Evergreen Park Drive SW
P. O. Box 47250
Olympia, Washington 98504-7250

Please direct any questions about the rules to Dick Byers of the Commission Staff at 360-664-1209 or e-mail at dbyers@utc.wa.gov.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
