 COMMISSION

Dear Mr. Johnson:

Enclosed you will find Mashell Telecom, Inc.'s Form 477, per WAC 480-123-130(1)(i) which requires all wireline communication providers that receive state USF program support to file copies of Form 477 with the state of Washington at the time these reports are filed with the FCC.

There is no native format available for this filing. If you have any questions regarding this information feel free to call me at 360-832-4130.

Because of the CONFIDENTIAL nature of the information contained in the enclosed FCC Form 477, pursuant to RCW 80.04.095 and WAC 480-07-160 the Company hereby asserts a claim of confidentiality with respect to the FCC Form 477. The basis for this claim is that the FCC Form 477 contains valuable commercial information including confidential marketing and customer information. Accordingly, in compliance with WAC 480-07-160, unredacted and redacted versions of that document are enclosed. As specified in WAC 480-07-160, all unredacted copies of materials claimed to be confidential have been marked "CONFIDENTIAL PER WAC 480-07-160." Also, the unredacted versions have been marked "UNREDACTED," the information thereon that is claimed to be confidential has been clearly designated with grey shading.
