COMMISSION

Dear Ms. Maxwell:

Please find the attached Consolidated Communications, Inc. (“Consolidated”) FCC Form 477 summary report, with data as of June 30, 2022, filed in accordance with WAC 480-123-030(1)(e) for Consolidated Communications of Washington Company, LLC (“CCWA”). Since the FCC Form 477 data is filed on a total Consolidated company basis, the underlying data for only CCWA is attached as a separate file.

Pursuant to regulations cited in WAC 480-07-160, CCWA requests portions of this filing be treated as confidential and not subject to public inspection. The information is not publically available and if subject to public disclosure would cause significant commercial and competitive harm to CCWA. Accordingly, in compliance with WAC 480-07-160(5)(c)(iv), unredacted and redacted versions of the reports accompany this letter and UTC web portal filing. As specified in WAC 480-07-160(5)(c)(i), all copies of materials claimed to be confidential have been marked, “Shaded information is designated as confidential per WAC 480-07-160.”

Note that where multi-state information is included on the documents, the data for states other than Washington has been redacted in both the redacted (public) and confidential versions, as that information is outside jurisdiction of the WUTC.

Please do not hesitate to contact me as indicated below with any questions or concerns regarding this filing.

Kind regards,

Floyd Jasinski
