PUGET SOUND ENERGY Electric Tariff G

SCHEDULE 131 RESTORATION SERVICE GUARANTEE

- 6. GENERAL RULES AND PROVISIONS The Guarantee under this schedule is subject to the General Rules and Provisions contained in this tariff. This Guarantee does not change or eliminate any provisions of Schedule 80, specifically including the provisions of Section 12 of Schedule 80.
- ONE-TIME WAIVER/CHANGE OF CERTAIN TERMS The following terms of the Guarantee under this schedule are revised for the outages that began between 12:01 a.m. on January 18, 2012 and ended by 11:59 p.m. on January 28, 2012 ("Time Period"). The revisions effective for outages during the Time Period are:
 - a. The total annual payment, number of eligible Customers and first-come, first-served basis limitations in Section 1, above, are removed for outages during this Time Period.
 - b. The requirement in Section 3, above, that the 120 hours of an outage be consecutive is eliminated for outages during the Time Period.
 - c. The requirement in Section 3, above, that the Customer either report their outage or request the Guarantee credit to be eligible for the Guarantee credit is modified for outages during the Time Period as further described in d. below.
 - d. The requirement in Section 3, above, that the Guarantee credit be requested within seven (7) calendar days is modified for those Customers who were not automatically credited \$50, to require that the Customer request the Guarantee credit by May 1, 2012.
 - e. The provisions of Section 4, above, are modified to (i) allow PSE to automatically credit Customers based on PSE's records, and (ii) allow Customers to request the Guarantee credit in accordance with d. above.
 - f. The provisions of Section 5, above, are modified to (i) modify the 120 consecutive-hour requirement so that the 120 hours are the total outage hours that the Customer has experienced during the Time Period, (ii) eliminate the safe access requirement, and (iii) eliminate the validation requirement on those Guarantee credits that the Company automatically applies.
