RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*, Dockets UE-072300 and UG-072301 (*consolidated*)

TO ALL PARTIES:

On January 27, 2012, the Washington Utilities and Transportation Commission (Commission) entered its Order 18 Granting PSE's Request to Amend Certain Terms of Schedule 131, in consolidated Dockets UE-072300 and UG-072301. The order requires that Puget Sound Energy (PSE) make a compliance filing updating Schedule 131 to reflect all the changes approved by the Order within 20 business days after the effective date of the order. The order also authorized the Commission's Executive Director and Secretary to approve the authorized filing by letter if it complied with the terms of the order.

On February 9, 2012, PSE filed an updated Schedule 131. The Commission has examined the filing and it appears to comply with the terms of the order.

Therefore, pursuant to terms of the Commission's Order 18 in this proceeding, the updated Schedule 131 filed by PSE is determined to be in compliance with Order 18.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
