To Avista

Account # NE 16022-8
LG 160229

I feel that Avista should follow the same financial measures that a home owner has to follow. Save your money until a large costly item would be affordable. Or at least have 75-80% of needed monies in the bank.

They just got a raise a few months ago, but those on SSDI didn't get any this year, and most likely not next year either. So where does Avista

think the extra money would
be realigned. ~~It~~ It just
doesn't materialize out of
the blue.

So please don't give
them any more monies
that just goes to wages
and costly benefits.

Thank you
Ariel Kamen
