RE: Rulemaking to Consider Modifications to, or Elimination of, the Requirement
Related to Distribution of Telephone Books in WAC 480-120-251
Docket UT-120451

TO ALL INTERESTED PERSONS:

This letter is to provide notice of an opportunity to file written comments on a supplemental proposal (Supplemental CR-102) related to distribution of telephone books in WAC 480-120-251 Directory service. The letter also provides notice to participate in a formal rule adoption hearing scheduled for 1:30 p.m., on Thursday, February 14, 2013.

On July 20, 2012, the Washington Utilities and Transportation Commission (Commission) issued a notice of a proposed rulemaking (CR-102) to all interested persons concerning possible adoption of proposed revisions to the requirement related to distribution of telephone books. The Commission received comments from interested persons in response to this notice and conducted a workshop to discuss the proposed revisions and related issues.

On October 31, 2012, the Commission issued a notice to all interested persons seeking comments on a revised proposed directory listings rule.

On December 19, 2012, the Commission filed with the Code Reviser a Supplemental CR-102 in this docket. The Supplemental CR-102 proposal amends WAC 480-120-251 so that carriers have the flexibility to comply with their obligation to make basic directory listings available to their local exchange customers either by providing those customers

with access to electronic listings and making printed directories available to customers who request them, or by distributing printed directories to all customers except those who request not to receive them.

The Supplemental CR-102 begins the final part of the rulemaking process, which includes a written comment period, a public adoption hearing, and a decision by the Commission.

THE COMMISSION GIVES NOTICE of your opportunity to submit written comments on the supplemental proposed rule to the Commission by filing with the Commission Executive Director and Secretary either by electronic transmission as described below, or by physical delivery to 1300 S. Evergreen Park Drive S.W., P.O. Box 47250, Olympia, Washington, 98504-7250, no later than 5:00 p.m., Tuesday, January 22, 2013. The proposed rule, as filed with the Code Reviser, is available for inspection on the Commission's web site at <http://www.utc.wa.gov/120451>. Additionally, upon request, the Commission will send you a paper copy if needed.

Electronic copies: The Commission asks that you provide your comments in electronic format to enhance public access, for ease of providing comments, to reduce the need for paper copies, and to facilitate quotations from the comments. You may submit comments via the Commission's Web portal at <http://www.utc.wa.gov/e-filing> or by electronic mail to the Commission's Records Center at records@utc.wa.gov.

In your comments please include:

- The commenting party's name
- The title and date of the comment or comments

An alternative method for submitting comments may be by mailing/delivering an electronic copy on a 3 ½ inch, IBM-formatted, high density disk, in .pdf Adobe Acrobat format or in Word 97 or later. Include all of the information requested above. The Commission will post on the Commission's web site all comments that are provided in electronic format. The web site is located at <http://www.utc.wa.gov/120451>. If you are unable to file your comments electronically or to submit them on a disk, the Commission will always accept a paper document.

THE COMMISSION GIVES FURTHER NOTICE of your opportunity to attend the public hearing and make oral comments about the proposal for the adoption of the supplemental proposed rule at 1:30 p.m., Thursday, February 14, 2013. This public hearing will be held in the Commission's Hearing Room, Second Floor, Richard Hemstad Building, 1300 S. Evergreen Park Drive, S.W., Olympia, Washington.
