**Comments** As a year round resident of Stehekin, and a parent of six children, I would love there to be more options for traveling up and down lake Chelan. There have been many times when we have put off appointments, or completely skipped them because of the lack of a viable option to get "downlake" and back again in a reasonable time. The hearing regarding Backcountry Travels LLC is a perfect example. To make it to this hearing with the current ferry schedule, I would need to leave Sunday afternoon from Stehekin. With the time of the hearing scheduled for when it is, I would be unable to connect with the "uplake" ferry on Monday morning, leaving me with no other option than spending both Monday night and Tuesday night away from home, and not being able to return to Stehekin until Wednesday. This is just one of many examples that show the advantages that another ferry service could offer people on Lake Chelan.
