Re: Docket UT - 230020  
Washington Universal Service Communications Program  
St. John Telephone, Inc.

Dear Ms. Maxwell:

On behalf of St. John Telephone, Inc., accompanying this letter for filing with the Commission is a copy of the information that was electronically submitted to the Federal Communications Commission (FCC) for the Form 477 Subscriber Data filed through the FCC's Broadband Data Collection portal. The summary is the only portion of FCC Form 477 that is available in useable format. This is being filed with the Washington Utilities and Transportation Commission with respect to funds received from the Washington Universal Service Communications Program.

The FCC Form 477 report is filed in .pdf format rather than the native format of .html per directions from commission staff.
