

UT-043007 Smith Direct
Eschelon Telecom, Inc. July 23, 2004
Exhibit No. _____ (RLS-28T)

QWEST CORPORATION

STATE: Washington

DOCKET NO: UT-043007

CASE DESCRIPTION: In the Matter of the Second Six-Month Review of Qwest Corporation's Performance Assurance Plan

INTERVENOR: Eschelon Telecom, Inc.

REQUEST NO: ESCH 03-026

REQUEST:

If Qwest's position is that changes to PIDs, PAP, or other controlling documents are necessary to effectuate Qwest's low volume relief proposal, describe each and every reason why Sections 2.4 and 7.1 of the PAP do not already address low volume relief issues.

RESPONSE:

Qwest's proposal relating to low volumes is to employ standards that do not require 100 percent perfect performance in any reporting period. No existing provision of the Washington PAP, including Sections 2.4 and 7.1, accomplishes that.

Respondent: Mike Williams
