

UTILITIES AND TRANSPORTATION COMMISSION STAFF
RESPONSE TO BENCH REQUEST

DATE PREPARED: March 6, 2019
DOCKET: TR-180466
REQUESTER: Bench

WITNESS: Betty Young
RESPONDER: Betty Young
TELEPHONE: (360) 664-1202

BENCH REQUEST NO. 1 TO COMMISSION STAFF:

Please provide any data concerning accidents at the Cliffside Drive crossing.

RESPONSE:

Please see the attached .pdf file, which contains two Highway-Rail Grade Crossing Accident/Incident Reports. Given that the reports are identical in their description of the date, time, and nature of the accident, Staff believes the existence of the separate reports results from the fact that two different railroads reported the incident.
