RE: *In the Matter of the Application of Superior Waste and Recycle LLC For Authority to Operate as a Solid Waste Company in Washington*
Docket TG-181023

Dear Judge Pearson:

Commission Staff requests leave to submit the attached additional direct testimony and supporting exhibits to clarify its position on the matters raised in TG-181023 in anticipation of hearing. Staff believes that such testimony and exhibits would benefit the record and the Commission as it weighs the issues presented in this case. Counsel for Staff has inquired whether either Waste Management or Superior Waste would oppose the filing of additional testimony, and counsel for both have responded that they do not oppose.

Sincerely,

/s/ Harry Fukano, WSBA No. 52458
