**Re: Docket Nos. UE-072300 and UG-072301 (consolidated)
Compliance Filing – Order Nos. 18 and 19
Puget Sound Energy, Inc.'s Service Quality Program**

Dear Mr. Danner:

Enclosed for filing is the updated Appendix 2 to Exhibit J in the Twelfth Supplemental Order in consolidated Docket Nos. UE-011570 and UG-011570. The updated appendix reflects those changes to Puget Sound Energy, Inc.'s ("PSE") Service Quality Program (the "Program") approved by the Commission in Order Nos. 18 and 19 in the above-referenced dockets. A redlined version of Appendix 2 is also enclosed for your reference.

Appendix 2 summarizes the reporting requirements of the Program and the mechanics of the Service Quality Index ("SQI"). Order No. 18 authorized a one-time modification to Electric Schedule 131, Restoration Service Guarantee, for the period of January 18, 2012 and ending January 28, 2012. Order No. 19 authorized an extension of the SQI SAIDI Temporary Mechanics. These changes are reflected on page 2 of Appendix 2, Continuation of Program.

Please contact Chris Schaefer (425-456-2932) or Mei Cass (425- 462-3800) for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,

Tom DeBoer
Director, Federal & State Regulatory Affairs
