**Re: Docket Nos. UE-040641 & UG-040640
Puget Sound Energy, Inc.'s General Rate Case**

Dear Ms. Washburn:

We have just discovered that the paper (but not electronic) version of Puget Sound Energy's Inc.'s General Rate Case, which was filed with the Commission on April 5, 2004, contains five pages of material that is not related to the General Rate Case and was inadvertently included in the filing. Specifically, at the end of Mr. Charles Cicchetti's prefiled direct testimony, Exhibit ____ (CJC-1T), which is 50 pages long, there are five pages of material (an email and referenced attachment) that have no relation to Mr. Cicchetti's testimony or, indeed, to Puget Sound Energy, Inc.

Please immediately remove the referenced pages from all copies of the General Rate Case filing and destroy them.

We are also hereby requesting and instructing all other parties and potential intervenors who have received copies of Puget Sound Energy, Inc.'s General Rate Case filing to remove and destroy the pages described above.

Please contact me if you have any questions regarding this matter. We are providing 12 copies of this letter with this filing, and an electronic version via email.

Very truly yours,

Kirstin S. Dodge
