**NOTICE MODIFYING
PROCEDURAL SCHEDULE**

Re: *In the Matter of the Penalty Assessment Against All My Sons Moving & Storage of Seattle, Inc.*, Docket No. TV-050537

TO ALL PARTIES OF RECORD:

On May 3, 2006, Commission Staff and All My Sons jointly requested approval of a revision of the procedural schedule. The parties have been involved in settlement discussions since late March. The parties report that the settlement discussions have been productive and they are hopeful that a full settlement will be reached. They also state that a death in the family has prevented one of the Company's decision makers from participating in the most recent negotiations. To provide additional time for settlement discussions, the parties propose the following revised schedule.
