ALJ Bench Request No. 10

Bench Request No. 10
For Pacific Power, Northwest Energy Coalition, and the Energy Project:

Request #10: Northwest Energy Coalition and the Energy Project recommend that Pacific Power be required to increase LIBA rate credits proportionately with any annual increases in residential bills as a result of decoupling surcharges. (Cavanagh, Exh. No RC-1T at 5:2-5; Collins, Exh. No. SMC-3T at 7:8-10)

Response: The issue is not resolved. LIBA funding should be increased proportionately to any residential bill increases resulting from the decoupling mechanism.

Preparer: Joni Bosh
