Re: Docket No. UG-110723 (Advice No. 2011-12) – **Do Not Redocket**
Substitute Natural Gas Tariff Sheet – Filed Electronically

Dear Mr. Danner:

Puget Sound Energy, Inc. (the “Company” or “PSE”) hereby submits, in connection with Docket No. UG-110723, the following substitute tariff sheet to replace the tariff sheet that was originally filed on April 26, 2011 then substituted on June 29, 2011 and July 14, 2011 under the Company’s Advice No. 2011-12. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of the Company’s WN U-2 tariff for natural gas service.

Original Sheet No. 1134-A – Schedule 134 Pipeline Integrity Program (Continued)

The purpose of this filing is to correct a scrivener’s error. The rates on this tariff sheet were inadvertently characterized as being in cents per therm but should have been in dollars per therm. The impacts presented in the Company’s work papers were correct as originally submitted as well as the notice to the public.

The enclosed tariff sheet was suspended by the Commission’s Order 01, Complaint And Order Suspending Tariff Revision, (“Order 01”). Substitution to make a typographical correction within a pending tariff sheet is provided for in WAC 480-80-111(1)(c), therefore the Company respectfully requests that the Commission accept this substitution.

The tariff sheet described herein reflects an issue date of April 26, 2011, and effective dates of August 1, 2011. As required by law and the Commission’s rules and regulations, posting will be completed immediately prior to or coincident with the date of this transmittal letter. Posting is being accomplished through web, telephone and mail access in accordance with WAC 480-90-193(1).
