Dear Mr. Johnson:

Enclosed please find the work paper of Puget Sound Energy (“PSE”) entitled “200304-200305-PSE-conservation-potential-model-2021-06-08-(C),” which provides the conservation potential model that supports PSE’s Final 2021 Integrated Resource Plan, filed in Dockets UE-200304 and UG-200305.

PSE has marked the file as “CONFIDENTIAL per WAC 480-07-160.” This file is protected from any further disclosure by the Commission or the Office of the Attorney General, including outside experts, pursuant to RCW 80.04.095 and WAC 480-07-160. PSE, its customers, and/or third parties that submitted commercially sensitive information to PSE, would be harmed by release of the confidential information contained in PSE’s filing.

If you have any questions about the information contained in this filing, please contact me at 425.635.1416.

Sincerely

Jason Kuzma
