Subject: WAC 480-120-439 – June 2011 Service Quality Report

Dear Mr. Danner:

Pursuant to WAC 480-120-439, enclosed is the Frontier Communications Northwest Inc. Service Quality Performance Report for June 2011.

Central office level detail is marked "Confidential per WAC 480-07-160" as it includes access line count and activity information that would have economic value to the Company's current and potential competitors, such as in determining when and where to begin or modify competitive operations. In addition to the information required by WAC 480-120-439, we are also enclosing a twelve month running trouble report document at the request and for the convenience of the Commission Staff.

If you have any questions concerning this report, please call me at 972-456-7551.

Sincerely,
