**NOTICE OF REVISED PROCEDURAL SCHEDULE**

RE: *In the Matter of the Petition of Qwest Corporation for Commission Approval of Stipulation Regarding Certain Performance Indicator Definitions and Qwest Performance Assurance Plan Provisions, Docket UT-073034*

TO ALL PARTIES:

On November 19, 2007, the Washington Utilities and Transportation Commission (Commission) entered *Order 05 – Prehearing Conference Order*, in this matter. Order 05 set out the procedural schedule for this docket, including deadlines for the submission of initial and responsive comments and legal arguments on February 20, 2008, and March 10, 2008, respectively. Order 05 established March 31, 2008, as the approximate date for the Commission to issue its Initial Order in this matter.

On February 14, 2008, Qwest requested a four week extension of the deadline to file initial comments and corresponding extensions to all other related deadlines. Qwest asked that May 1, 2008, be set as the new approximate date for a Commission order. Qwest indicates that no other parties to this docket object to the extension request.

Qwest’s request to extend the existing procedural schedule is granted. The request complies with the requirements in WAC 480-07-385 for such requests, and will not prejudice the parties or the Commission. However, in order to accommodate its other commitments, the Commission revises the procedural schedule for the remaining milestone dates in this six-month review docket as follows:

Initial Comments and Legal Arguments	March 26, 2008
Final Comments and Legal Arguments	April 21, 2008
Commission Order (approximate date)	May 2, 2008

An updated "Appendix C" to Order 05 is attached to this Notice and supplants that previously issued with Order 05. All other provisions of Order 05 remain in effect.

Sincerely,

ADAM E. TOREM  
Administrative Law Judge
