(To be held at 1:30 p.m., Wednesday, March 29, 2017)

Re: Cascade Natural Gas Corporation 2016 Natural Gas Integrated Resource Plan,
Docket UG-160453

TO ALL INTERESTED PERSONS:

The Washington Utilities and Transportation Commission (Commission) is issuing a Revised Notice to inform interested persons of a date change for the recessed open meeting **to Wednesday, March 29, 2017, at 1:30 p.m.** On February 1, 2017, the Commission issued an Initial Notice of opportunity to file written comments and notice of recessed open meeting for Cascade Natural Gas Corporation's (Cascade or Company) integrated resource plan for natural gas service.

The "integrated resource plan" (IRP or Plan) describes the lowest cost mix of natural gas supply and conservation designated to meet current and future energy demands at the lowest reasonable cost to the utility and its ratepayers. Cascade representatives will present the Plan and respond to questions. The Commission will review Cascade's IRP for natural gas service at the recessed open public meeting **on Wednesday, March 29, 2017, at 1:30 p.m.** and will consider information reported in the IRP when it evaluates the performance of the utility in rate and other proceedings.¹

The meeting will be held at the Commission's headquarters, Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. A copy of the IRP is on file in the library at the Commission's offices in Olympia, and on Cascade's website at

¹ WAC 480-90-238(6).
