

# 2023 ELECTRIC PROGRESS REPORT

## Appendix A Table 3 – updated from the 2021 Integrated Resource Plan

PSE is following methodology from the International Association of Public Participation (IAP2) for implementing its 2023 Electric Progress Report public participation process. PSE will utilize its website [pse.com/irp](http://pse.com/irp) to inform stakeholders of IRP progress at key decision points. The table below includes topics where PSE will consult and involve stakeholders to provide input on certain IRP components. Select inform topics are also included. This table and the website [pse.com/irp](http://pse.com/irp) will be updated as the process progresses. PSE encourages stakeholders to visit the website regularly. Final 2023 Electric Progress Report will be available at [pse.com/irp](http://pse.com/irp) and filed with the WUTC by April 1, 2023.

IAP2 Technique	Stakeholder Role	Date and Time	Topic
Feedback Webinar	Inform & Consult	January 20, 2022 1:00 to 4:00 p.m.	Energy planning process and next steps for 2022
Feedback Webinar	Inform & Consult	March 22, 2022 9 a.m. to 12:00 p.m.	Climate Commitment Act and assumptions for the 2023 Electric Progress Report
Feedback Webinar	Inform & Consult	June 6, 2022 9:00 a.m. to 12:00 p.m.	Electric and gas delivery system planning
Feedback Webinar	Inform & Consult	July 12, 2022 1:30 to 5:00 p.m.	Electric and gas demand forecast
Feedback Webinar	Inform & Consult	August 24, 2022 1:00 to 4:30 p.m.	Resource adequacy information session
Feedback Webinar	Inform & Involve	September 13, 2022 1:00 p.m. to 4:00 p.m.	Electric Progress Report: Conservation Potential Assessment (CPA) and assumptions for the 2023 Electric Progress Report
Feedback Webinar	Inform & Involve	December 12, 2022 9:00 a.m. to 12 p.m.	Updates and feedback on draft results of electric portfolio
Feedback Webinar	Inform & Involve	March 14, 2023 1:00 p.m. to 4:00 p.m.	Updates and feedback on final portfolios of 2023 Electric Progress Report and Gas Utility IRP
