GA-079175 of

ED'S DISPOSAL, INC.

For an Extension of
Certificate No. G-110 for a
Certificate of Public
Convenience and Necessity to
Operate Motor Vehicles in
Furnishing Solid Waste
Collection Service

DOCKET NO. TG-030812

DECLARATION OF DARRICK DIETRICH

DARRICK DIETRICH hereby certifies and states as follows:

I am Operations Manager for Ed's Disposal, which holds WUTC Certificate 110. Ed's has served the territory requested for over 20 years, in the belief that it was included in the G-110 service area. This belief was based upon an early map which indicated that the area was within Ed's boundaries. We never had any indication from the Commission or anyone else that that was not the case.

However, the Commission's recent mapping project revealed that the area was not within our boundaries. This resulted in the present application. Apparently Waste Management, Inc. also has authority to serve this area, but has indicated, through its attorney, that it has no objection to our continuing to serve the area and has not protested the application.

1 Ed's Disposal is a corporation with ownership in the
2 Dietrich family. It has provided solid waste services since
3 1982, pursuant to G-110, and city contracts for the cities of
4 West Richland and Benton City. Ed's is fiscally sound and has
adequate financial resources to continue to serve the requested
territory.

5 We operate under Tariff No. 4, which was effective
6 February 7, 2003. All customers in the requested area are billed
7 in accordance with this tariff. We have all insurance coverage
required by the Commission.

8 All our equipment is maintained "in house" to the highest
9 standards. We are in compliance with all local, state and
10 federal laws and regulations regarding driver training and
controlled substance and alcohol testing.

11 Ed's stands ready to provide service to all customers and
12 potential customers within this area. If the need arose, we
would acquire additional equipment and personnel.

13 I have attached the following documents to this Declaration:

- 14 • Financial Statement
- 15 • Equipment List
- 16 • Certificate No. G-110
- 17 • Tariff No. 4
- 18 • Insurance Certificate

19 I declare under penalty of perjury of the laws of the State
20 of Washington that the foregoing is true and correct.

Docket No. TG- _____ Date: _____ By: _____

Company Name/Permit Number: Ed's Disposal, Inc. G-110

Registered Trade Name:

Item 10 – Application of Rates – General

Rates named in this tariff cover the collection, transportation, and disposal of solid waste. When specifically referred to, rates also cover the collection and transportation of recyclable materials and/or yardwaste.

Title 81.77 of the Revised Code of Washington (RCW) and Chapter 480-70 of the Washington Administrative Code (WAC) govern operations of solid waste collection companies and the tariffs companies must file with the Washington Utilities and Transportation Commission (WUTC).

Unless exceptions are shown, all materials must be placed on the same level as the streets or alleys.

The company may charge additional amounts for disposal fees only when specifically stated in the tariff and separately shown on customer bills.

Item 15 – Holiday Pickup – Regularly Scheduled Service

When a pickup is missed due to the company's observance of a holiday, the company will provide service, at no additional cost to the customer, on an alternate day.

A list of the holidays the company observes is shown in Item 60.

For application of rates in this tariff, the company defines alternate day to mean the following:

(N) The next regularly scheduled pickup day after the holiday.

Item 16 – Change in Pickup Schedule

When a company changes the pick-up date for its certificate area, or a portion of its certificate area, the company must notify all customers in the affected area of that change.

Notice must be made at least seven days before implementation of the new pickup schedule and may be made via mail, personal contact, or by a notice being affixed to the customer's solid waste receptacle.

Item 17 – Refunds

Credit due the customer. When there has been a transaction that results in a credit due the customer, the following apply:

- (a) If the amount due is five dollars or less, an adjustment will be made to the customer's account. The adjustment must be shown on the next regular bill.
- (b) If the amount due is more than five dollars, the customer may accept an account adjustment or may request a refund.
 - If the customer elects to have an account adjustment made, the adjustment must show on the next regular billing.
 - If the customer elects to receive a refund, the company must issue a check within thirty days of the request.

Overcharges. Once a company becomes aware that it has overcharged a customer, it must provide a refund or an account adjustment credit to the customer. The customer must be given a choice as to which option is preferred. The refund or credit must be the amount overcharged in the three years before the date of discovery.

- If the customer elects to have an account adjustment made, the adjustment must show on the next regular billing.
- If the customer elects to receive a refund, the company must issue a check within thirty days of the request.

Prepayments. If a customer has paid service fees in advance, service is discontinued during the pre-billed period, and the customer is due a refund, the following apply:

- (a) A company must honor all requests for refunds of the unused portion of prepayments.
- (b) If the customer provides a forwarding address to the company or one can be obtained from the Post Office, the company must issue a refund check no more than thirty days following the customer's request.
- (c) If the customer cannot be located or did not provide a forwarding address and the U.S. Post Office cannot furnish a forwarding address, the amount may be presumed to be abandoned and is subject to the Uniform Unclaimed Property Act after one year.

Item 18 — Billing, Advance Billing, and Payment Delinquency Dates

Billing period. A company may bill its customers for one, two, or three months of service.

Advance billing and payment delinquency dates. The following chart defines the maximum period allowed for advance billing and the date when a bill may be considered delinquent:

Billing period	Maximum advance billing period allowed	Delinquency date
One month's service (monthly)	No advance billing allowed	May not be less than twenty-one days after the date the bill is mailed
Two months' service	One months' advanced billing allowed	May not be until the last day of the second month
Three months' service	Two months' advance billing allowed	May not be until the last day of the third month

The billing period chosen by the company operating under this tariff for residential solid waste accounts is three months' service.

Late charges. Customers with past due accounts after the delinquency dates specified in the chart above will be charged a late fee of 1.0% per month on outstanding balances. The minimum charge per month is \$.50.

Item 20 – Definitions

NOTE: The definitions shown on the first three pages of this item are standard, in most cases prescribed by rule. Companies may not amend these definitions. Companies wishing to add definitions specific to their company's operations must include those definitions on a separate page, entitled, "Company-specific definitions." A blank sheet is provided for that purpose.

- Bale:** Material compressed by machine and securely tarped or banded.
- Bulky Materials:** Empty carriers, cartons, boxes, crates, etc., or materials offered for disposal, all of which may be readily handled without shoveling.
- Charge:** A set flat fee for performing a service. Or, the result of multiplying a rate for a unit times the number of units transported.
- Commercial Billing:** Service billed to a commercial customer or billed to, and paid for, by a property manager or owner rather than a residential tenant.
- Compacted Material:** Material that has been compressed by any mechanical device either before or after it is placed in the receptacle handled by the company.
- Compactor Disconnect/Reconnect Charge:** A flat fee established by the solid waste collection company for the service of disconnecting a compactor from a drop box or container before taking it to be dumped, and then reconnecting the compactor when the drop box or container is returned to the customer's site.
- Gate charge:** A flat fee charged for opening, unlocking, or closing gates in order to pick up solid waste.
- Loose material:** Material not set out in bags or containers, including materials that must be shoveled.
- Multi-family residence:** Any structure housing two or more dwelling units.
- Packer:** A device or vehicle specially designed to pack loose materials.
- Pass through fee:** A fee collected by a solid waste collection company on behalf of a third party when the fee is billed directly to the customer without markup or markdown.

Item 20 – Definitions, continued

- Permanent service:** Container and drop-box service provided at the customer's request for more than ninety days.
- Rate:** A price per unit or per service. A rate is multiplied times the number of units transported or the number of times a service is performed to determine a charge.
- Solid waste receptacle:** includes the following items, with the following meanings:
- Automated cart** means a cart designed to be picked up and emptied by mechanical means. The specific type and size are to be defined in rate items.
- Can** means a receptacle made of durable, corrosion-resistant, nonabsorbent material that is watertight, and has a close-fitting cover and two handles. A can holds more than twenty gallons, but not more than thirty-two gallons. A can may not weigh more than 65 pounds when filled.
- Cart** means a wheeled plastic container. A cart may also be referred to as a toter. If supplied by a customer, a cart must be compatible with the company's equipment. The size and type of cart that is compatible will be established in each company's tariff.
- Container** means a detachable receptacle (normally designed to hold at least a cubic yard of solid waste) from which materials are collected by mechanically lifting the receptacle and emptying the contents into the company's vehicle.
- Drop box** means a detachable receptacle used to provide solid waste collection service by the receptacle being placed on the company's vehicle by mechanical means and transported to a disposal site.
- Drum** means a metal or plastic container of approximately fifty-gallon capacity, generally used for oils or solvents. A drum may not weigh more than 65 lb when filled.
- Litter receptacle** means a container not over sixty-gallon capacity, generally placed in shopping centers and along streets or highways for litter. A litter receptacle may not weigh more than 65 pounds when filled.

Micro-mini can means a can made of durable, corrosion-resistant, nonabsorbent material that is watertight and has a close-fitting cover. A micro-mini can may not hold more than ten gallons. A micro-mini can may not weight more than _____ pounds when filled.

Mini-can means a can made of durable, corrosion resistant, nonabsorbent material that is watertight and has a close-fitting cover. A mini-can may not hold more than twenty gallons. A mini-can may not weight more than _____ pounds when filled.

Recycling bin or container means a bin or container designed or designated for the collection of recyclables. The size and type of recycling bin or container will be established in each company's tariff.

Toter means a wheeled plastic container. A toter may also be referred to as a cart. If supplied by customer, a toter must be compatible with the company's equipment. The size and type of toter that is compatible will be established in each company's tariff.

Unit means a receptacle made of durable, corrosion-resistant, nonabsorbent material, that is watertight, and has a close-fitting cover and two handles. A unit holds more than twenty gallons, but not more than thirty-two gallons or four cubic feet. A unit may not weigh more than 65 pounds when filled.

Where agreed on between the company and the customer, and where allowable under local ordinance, a box, carton, cardboard barrel or other suitable container may be substituted for a solid waste can, for a single pick-up that includes removal of the container, if it meets the size and weight limits established in the company's tariff.

Yardwaste bin or container means a bin or container specifically designed or designated for the collection of yardwaste. Each company's tariff will refer to a specific type of yardwaste bin or container to be used by customers in a service area. The type, size, weight, etc., of this type of bin or container will often be set by local government plans or ordinances.

Special pick-up: A pick-up requested by the customer at a time other than the regularly scheduled pick-up time, that requires the special dispatch of a truck. If a special dispatch is required, the company will assess time rates established in the company's tariff.

Item 30 – Limitations of Service

Refusal of service. A solid waste collection company may refuse to:

- Pick up materials from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads.
- Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions.
- Enter private property to pick up material while an animal considered or feared to be vicious is loose. The customer will be required to confine the animal on pickup days.

Schedules. A company's schedule will meet reasonable requirements and will comply with local service level ordinances.

Missed pickups due to weather or road conditions. Pickup of materials may be missed due to weather or road conditions. If the accumulated material (solid waste and/or recyclables, and/or yardwaste) is collected on the next scheduled or available pickup date, the company is not obligated to extend credit for the missed pickup. The customer will not be charged for overfilled receptacles, or for materials set out in bags on top of or next to the customer's normal receptacles if the amount of extra material does not exceed the amount that would have reasonably been expected to accumulate due to missed pickups.

Due care. Other than to offer reasonable care, the company assumes no responsibility for articles left on or near solid waste receptacles.

Liability for damage. When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.

Item 40 – Material Requiring Special Equipment, Precautions, or Disposal

Transportation of solid waste requiring special equipment or precautions in handling or disposal will be subject to time rates named in Item 160, or to other specific rates contained in this tariff.

Companies must make every effort to be aware of the commodities that require special handling at the disposal sites named in the company's tariffs. The company shall maintain a list of those commodities and make it available for public inspection at the company's office.

Item 45 – Material Requiring Special Testing and/or Analysis

When a solid waste collection company or disposal facility determines that testing and/or analysis of solid waste is required to determine whether dangerous or prohibited substances are present, the actual cost for such testing and/or analysis will be paid by the customer. The company must provide the customer with a copy of any bill or invoice for costs incurred for testing and/or analysis and also must retain a copy in the company's file for at least three years. Those costs shall be passed through to the customer without markup. The company must maintain records of time spent to accomplish the special testing and/or analysis, and may bill the customer for that time under the provisions of Item 160 (Time Rates).

Item 50 – Returned Check Charges

(N) Returned check charge. If a customer pays with a check, and the customer's bank refuses to honor that check, the customer will be assessed a returned check charge in the amount of \$20.00.

Cans, units, mini-cans, or micro-mini cans that must be carried out over 5 feet, but not over 25 feet	\$.51	\$.51
For each additional 25 feet, or fraction of 25 feet, add	\$.22	\$.22

NOTE: The company may elect to drive in at the rates shown above, except the charge will be limited to one can, unit, mini-cans or micro-mini can. If cans, units, mini-cans, or micro-mini cans are carried over 125 feet, but are safely accessible to the company's vehicle, the drive-in charges shown below must be assessed instead.

Charge for Drive-ins (per pickup)	Rate	
	Residential Per Pickup	Commercial Per Pickup
Drive-ins on driveways of over 125 feet, but less than 250 feet	\$1.13	\$1.13
Drive-ins on driveways of over 250 feet, but less than 1/10 mile.		
For each 1/10 mile over 1/10 mile.		

Note: For the purpose of assessing drive-in fees, a driveway is defined as providing access to a single residence. If a driveway provides access to multiple residences or accounts, no drive-in fees will be assessed.

Item 160 – Time Rates

When time rates apply. Time rates named in this Item apply:

- When material must be taken to a special site for disposal;
- When a company's equipment must wait at, or return to, a customer's site to provide scheduled service due to no disability, fault, or negligence on the part of the company. Actual waiting time or time taken in returning to the site will be charged for; or
- When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer to this Item.

How rates are recorded and charged. Time must be recorded and charged for to the nearest increment of 15 minutes. Time rates apply for the period from the time the company's vehicle leaves the company's terminal until it returns to the terminal, excluding interruptions. An interruption is a situation causing stoppage of service that is in the control of the company and not in the control of the customer. Examples include: coffee breaks, lunch breaks, breakdown of equipment, and similar occurrences.

Disposal fees in addition to time rates.. Item 230 disposal fees for the specific disposal site or facility used will apply in addition to time rates.

Item 200 -- Containers and/or Drop Boxes -- General Rules

Availability. A company must maintain a supply of all sizes of containers and drop boxes for which rates are listed in this tariff. If a customer requests a container or drop box of a size listed in the company's tariff, and the company is unable to provide the requested size within 7 days of the customer request, the customer must be notified in writing or by telephone.

Alternate-sized containers and/or drop boxes. If the company cannot provide the requested-sized container or drop box (and that size is listed in the company's tariff), the company must provide alternate-sized containers or drop boxes, sufficient to meet the capacity originally requested by the customer, at the same rates as would have applied for the requested container or drop box.

Disposal fees due on alternate-sized drop boxes. If the company provides alternate-sized drop boxes, the customer is responsible for all lawfully applicable disposal fees resulting from the use of the alternate drop boxes.

Rates on partially-filled containers and/or drop boxes. Full pickup and rental rates apply regardless of the amount of waste material in the container or drop box at pickup time.

Rates for compacted materials. Rates for compacted material apply only when the material has been compacted before its pickup by the company.

Rates for loose material. Loose material dumped into the company's packer truck is subject to the rates for non-compacted material even though the material may be compacted later in the packer truck.

Permanent and temporary service. The following rules apply:

- (a) If a customer requests a container or drop box for less than 90 days, the customer will be billed at temporary service rates.
- (b) If a temporary service customer notifies the company that it has decided to retain the container or drop box for more than 90 days, permanent service rates will be assessed from the 91st day until the end of the period the customer retains the container or drop box.
- (c) If a customer requests a container or drop box for more than 90 days, the customer will be billed under permanent rates. If that customer cancels service before the end of the 90-day period, the company may not rebill the customer at temporary service rates. The intent of the customer at the time service was requested applies.
