RE: *In the Matter of a Penalty Assessment Against Yak Communications (America), Inc.*, Docket UT-121025

TO ALL PARTIES:

On August 1, 2012, the Washington Utilities and Transportation Commission (Commission) assessed a penalty of \$900 against Yak Communications (America), Inc. (Yak Communications or Company), for violation of WAC 480-120-382. This rule requires competitively classified telecommunications companies to file annual reports with the Commission by May 1 each year.

On August 14, 2012, Yak Communications filed a form provided by the Commission requesting mitigation of the penalty.

On September 26, 2012, the Commission entered Order 01, Order Mitigating and Partially Suspending Penalty, Subject to Conditions (Order 01). Order 01 suspended the penalty of \$900 assessed against Yak Communications in the amount of \$300 subject to the condition that Yak Communications files its 2012 annual report by May 1, 2013. Order 01 further states that if the Company fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission.

Commission records indicate that Yak Communications did not timely file its 2012 annual report by May 1, 2013. Accordingly, Yak Communications (America), Inc., has not complied with the conditions under which the Commission suspended \$300 of the \$900 penalty assessment. The suspended penalty amount of \$300, therefore, is now due and payable.
