Re: Rulemaking to Consider Rate Setting Flexibility and Competition for Auto Transportation Companies in WAC 480-30, Docket TC-121328

TO ALL INTERESTED PERSONS:

On February 8, 2013, the Washington Utilities and Transportation Commission (Commission) issued a notice to all interested persons scheduling a stakeholder workshop in the above rulemaking docket for March 18, 2013. The Commission recently learned that this date conflicts with various stakeholders' schedules. In order to give all stakeholders an opportunity to participate in this workshop, the Commission is rescheduling the workshop currently scheduled for March 18, 2013, to **March 22, 2013**.

NOTICE OF RESCHEDULED STAKEHOLDER WORKSHOP

We encourage your attendance in the stakeholder workshop now scheduled to be held **Friday, March 22, 2013, beginning at 12:00 p.m. (noon)**, in Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.

The Commission's teleconference bridge line will be available for the workshop. The Commission prefers and recommends that interested persons participate in person and share ideas in a workshop setting. However, if this imposes a hardship, interested persons may participate at the workshop via the Commission's teleconference bridge at **(360) 664-3846**. The conference bridge, however, is limited to 22 access lines.

If you have questions regarding this rulemaking, you may contact staff lead Ann Rendahl, Director, Policy and Legislation, at (360) 664-1144, or by email at arendahl@utc.wa.gov.
