Re: BCA Directional Drilling LLC, D-141448 Penalty Assessment

Dear Mr. King:

On Aug. 28, 2014, BCA Directional Drilling LLC (BCA) was issued a \$1,000 penalty for a violation of RCW 19.122. BCA had the option to have the penalty waived on the conditions that: (1) BCA attend "Dig Safe" training provided through the National Utility Contractors Association (NUCA); and (2) that BCA commit no further violations of RCW 19.122.030 within the next 12 months.

On Sept. 5, 2014, the commission received notification from BCA that the company admitted the violation occurred and accepted the commission's offer to waive the penalty on the stated conditions. The commission confirmed on May 20, 2015, that the first condition of the penalty waiver was met as BCA attended the NUCA "Dig Safe" training on April 30, 2015. In addition, on Aug. 28, 2015, commission staff confirmed that, according to commission records, BCA has committed no further violations of RCW 19.122.030 within the past 12 months. The second condition of the penalty waiver has been met.

As both conditions have been met, staff recommends the \$1,000 penalty issued against BCA be waived and the docket closed.

Sincerely,

Sharon Wallace, Assistant Director
Consumer Protection and Communications
