Re: TV-143076 – Issuing Permanent Household Goods Permit HG065557

Dear Making Moves LLC:

On August 8, 2014, Making Moves LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On August 25, 2014, the Commission approved the application in part and granted Making Moves LLC temporary authority to provide those services.

The Commission has determined that Making Moves LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG065557 issued in the name of Making Moves LLC is enclosed, and the company may now operate on a permanent basis.

Making Moves LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
