Re: TV-150641 – Issuing Permanent Household Goods Permit HG065866

Dear InMove LLC:

On April 22, 2015, InMove LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On April 27, 2015, the Commission approved the application in part and granted InMove LLC temporary authority to provide those services.

The Commission has determined that InMove LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG065866 issued in the name of InMove LLC is enclosed, and the company may now operate on a permanent basis.

InMove LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.

If you have any questions about this letter, please contact Mike Dotson at 360-664-1222 or at transportation@utc.wa.gov.

Sincerely,
