RE: *Petition of Pacific Power & Light Company for an Accounting Order Authorizing Deferral of Costs Related to the Purchase of Unbundled Renewable Energy Certificates.*  
Docket UE-161067

TO ALL PARTIES:

On February 9, 2017, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Order Granting Accounting Petition; Allowing Recovery of Costs (Order 01) in the above-referenced docket. Order 01, among other things, authorized Pacific Power & Light Company (Pacific Power or Company) to defer costs related to the purchase of unbundled Renewable Energy Certificates through its Schedule 95 tracker mechanism until the conclusion of its next general rate case, and required the Company to file a revised Schedule 95 that included required adjustments

On April 14, 2017, the Company submitted to the Commission its compliance filing. On April 28, Commission Staff (Staff) notified the Commission that Staff had reviewed the filing and finds that it complies with Order 01.

The Commission has reviewed the compliance filing and accepts it as meeting the terms of Order 01.

Sincerely,

STEVEN V. KING  
Executive Director and Secretary
