RE: Notice of Intent to Send to Collections, Penalty Assessment No. D-161118

Dear Ms. Reichert:

As you are aware, on November 10, 2016, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Barrett's Enterprise in the amount of \$11,000 for violations of the Washington State Dig Law, RCW 19.122. On March 15, 2017, by Order 01, the Commission denied Barrett's Enterprise's request for mitigation, and stated that the penalty was due immediately. Barrett's Enterprise has not paid the penalty imposed by the Commission. The Commission sent Barrett's Enterprise a Final Notice dated January 30, 2017, indicating that the balance of \$11,000 was due.

The Commission has not received the \$11,000 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$11,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
