**SUPPLEMENTAL REQUEST FOR CONFIDENTIAL TREATMENT**

Flowroute CLEC Inc. (“Flowroute CLEC”), a Washington corporation, pursuant to WAC 480-07-160, hereby requests that the Washington Utilities and Transportation Commission (“Commission”) grant confidential treatment of the 2015 and 2016 Balance Sheets of Flowroute CLEC’s parent company, Flowroute, Inc. (“Flowroute”), which are being submitted pursuant to Commission staff request as in support of Flowroute CLEC’s Registration and Competitive Classification as a Telecommunications Company (“Registration”) filed in the above-captioned proceeding. In support of this request, Flowroute CLEC provides the following information:

WAC 480-07-160(2) defines Confidential Information as:

- (a) Information protected from inspection or copying under an exemption from disclosure requirements under the Public Records Act, chapter 42.56 RCW.
- (b) Information protected under the terms of a protective order in an adjudicative proceeding.
- (c) Valuable commercial information, including trade secrets or confidential marketing, cost, or financial information, or customer-specific usage and network configuration and design information, as provided in RCW 80.04.095 or 81.77.210. Only information that satisfies this definition may be designated as confidential.

Flowroute’s 2015 and 2016 Balance Sheets submitted in support of Flowroute CLEC’s Registration are “financial information.” Flowroute is a privately held corporation, and accordingly, its financial information is not made available to the general public. Thus, the data

being submitted falls squarely within the definition of confidential information pursuant to WAC 480-07-160(2).

For the foregoing reasons, Flowroute CLEC respectfully requests that the Commission grant this Supplemental Request for Confidential Treatment and shield from public disclosure the confidential financial information filed by Flowroute CLEC in support of its Registration.

Respectfully submitted,

FLOWROUTE CLEC INC.
