Docket No. UG-180700 (DO NOT REDOCKET)

RE: WN U-29 Natural Gas Service - Avista's Annual Purchased Gas Cost Adjustment (PGA)

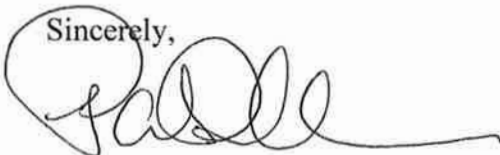

Enclosed for electronic filing with the Commission is a copy of the following proposed tariff sheets:

Substitute Twenty-First Revision Sheet 150 canceling Twentieth Revision Sheet 150
Substitute Twenty-First Revision Sheet 155 canceling Twentieth Revision Sheet 155
Substitute Fifth Revision Sheet 149 canceling Fourth Revision Sheet 149

This filing represents substitute tariffs for a revision in the Revenue Conversion Rate. In the original filing dated August 17, 2018 the Company inadvertently utilized an outdated revenue conversion factor. The Company appreciates Staff's review of our filing. Enclosed are the workpapers supporting the correct revenue conversion factor from Docket UG-180648. The net impact of this change is approximately \$8,100 additional rebate for customers.

If you have any questions regarding this filing, please call Annette Brandon at 509-495-4324.

Sincerely,

Patrick D. Ehrbar
Director of Regulatory Affairs
