RE: Revised Commodity Credit, G-12 Tariff Number 11 for Rabanco Ltd (dba Rabanco Companies, Eastside Disposal, and Rabanco Connections).

Dear Mr. Johnson:

Please find attached revised tariff pages associated with tariff revisions for G-12 Tariff Number 11 for Rabanco Ltd (dba Rabanco Companies, Eastside Disposal, and Rabanco Connections). This proposed change in the tariff reflects the change in the commodity credit for residential customers in the Service Areas in Appendix A and Appendix B from a credit of \$.16 to a debit of \$0.251 per month and for multifamily customers, from a credit of \$0.03 to a debit of \$0.09 per yard. Due to the volatility of the current recycling market conditions, Republic Services is requesting a waiver from WAC 480-70-351 (2) and requesting to use the value of the most recent six-month historical period in estimating the revenue for the next six months. The related accounting work papers are included in this submission to accompany the replacement tariff pages. We are asking that this rate become effective on Feb 1, 2019 – July 31, 2019.
