RE: Rabanco Ltd. d/b/a Tri-County Disposal Tariff Filing

Dear Mr. Johnson:

Enclosed please find proposed Tariff No. 8 of Rabanco Ltd, Certificate G-12, (dba Tri-County Disposal Company; dba Allied Waste Services of Klickitat County; dba Rabanco Recycling), the purpose of which is a general rate increase request. It has been nearly eight years since our last general increase on these rates and in that time we have experienced inflationary pressures on key operating costs and made investments in strategic operating assets. The proposed rates will offset increases in labor, fuel, maintenance, healthcare, pension and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate **6.63%** or **\$118,377**.

The proposed rates impact services provided as follows:

	% Revenue Change	\$ Revenue Change	Estimated Rate Impacts
Garbage:	+6.63%	\$118,377	6.63%

Included with request is a copy of our collective bargaining agreement which is deemed confidential pursuant to WAC 480-07-160 due its price and term sensitive content that may influence pricing from our competitors if made public.

As required by Commission rules, a copy of this transmittal letter will be mailed to the Chairman of Klickitat County's Board of Commissioners impacted by this filing. Customer notification letters will be mailed on or before June 1<sup>st</sup>, 2019. We will file a copy of the customer notices with your office prior to or at the same time as the mailing.

If you have any questions, please don't hesitate to contact me.

Sincerely,
