RE: Commission Staff's Letter Confirming Compliance
D-190538 – Next Day Posts – Investigation #7984

Dear Mr. Johnson:

Commission staff (staff) has reviewed the compliance order for Next Day Posts, LLC (Next Day Posts or Company) dated July 22, 2019. Compliance with the order required the following items be met:

- \$1,000 penalty for two violations of RCW 19.122.030(1)(a), with the opportunity to suspend, and ultimately waive, the entire penalty amount if the Company incurs no additional dig law violations within 12 months.

On August 14, 2019, the Company notified the Commission of its acceptance of the conditions. The Company has not incurred any additional violations of the dig law since the penalty assessment.

Staff believes that Next Day Posts has fully complied with the Commission's order, and further compliance under this order is no longer necessary. Therefore, staff recommends the Commission waive the suspended \$1,000 penalty amount and close this docket.

Sincerely,
