RE: *In the Matter of the Petition of Avista Corporation d/b/a Avista Utilites, for an Order Approving the Avoided Cost Methodology for Power Purchases from Large Qualified Facilities per WAC 480-106-050(5)*  
Docket UE-200455

Dear Mr. Johnson:

This letter is in response to Avista Corporation's (Avista) petition for Commission approval of its Avoided Cost Rate Methodology for Power Purchases from Large Qualified Facilities. Commission Staff is not aware of any analysis demonstrating concerns with Avista's filing. As with PacifiCorp's recent filing, Staff anticipates Avista's cost methodology to be similar to that of Puget Sound Energy's large QF methodology. Finally, Staff here in no way presupposes any outcomes with regard to any future complaints filed either under or against Avista's tariff.

Respectfully,

/s/ Harry Fukano, WSBA No. 52458
