Dear Customer:

Excess Disposal has filed a request with the Washington Utilities and Transportation Commission to increase rates effective October 1, 2021. This increase is to cover increased operating costs including disposal fees, labor, and insurance. Our last rate increase took effect April 1, 2018 and covered disposal fees only.

	Monthly Rates	
	Current	Proposed
1 Can Weekly	\$23.09	\$25.50
2 Cans Weekly	\$38.13	\$42.24
1 Can EOW	\$18.04	\$25.11
Extra Unit	\$5.48	\$6.06

Regular service is billed three months at a time. Other residential rates not listed may increase by up to 15%. If you have questions about this proposal, you may contact us at (208) 437-4502.

The Commission has the authority to set final rates that may be either lower or higher from the company's request, depending on the results of its investigation. Commission staff will make a recommendation to the Commissioners at an open meeting which is scheduled for 9:30 a.m. on September 30, 2021. The UTC building is closed to the public until further notice. This open meeting will be conducted remotely. If you intend to listen or participate, call 360-664-1234 for instructions the day before the open meeting.
