Re: Rulemaking to Consider Possible Corrections and Changes in Rules in
WAC 480-07, Relating to Procedural Rules, Docket A-130355, Draft Rules referenced in
your Notice of June 18, 2015.

Regarding "Interested Persons"

Dear Mr. King:

Thank you for this opportunity to review and comment.

I would suggest adding clarification regarding the rules as applied to "Interested Persons."

Say such a person only wishes to receive timely copy of the "public" redacted documents.

Must such an Interested Person retain counsel, and be represented, to be considered as an
"Interested Person?"

Must such an Interested Person, and counsel, appear in person at the first prehearing conference?

Thank you for these clarifications,
