UTIL. AND TRANSP.  
COMMISSION

Dear Ms. Washburn:

Attached are the May payments for the Washington Performance Assurance Plan ("PAP") based upon March 2006 performance. In addition to the March Performance, Qwest re-ran the PAP for the following reasons:

- ❖ Reran the data from December 2004 through February 2006 to calculate payments for a CLEC that opted into the PAP but which was not previously shown as opted in.
- ❖ Reran the data from December 2004 through February 2006 to correct the calculation of payments for section 10.0 of the PAP for low-volume, developing markets.

Summary of Changes for Washington (for detailed information see attached spreadsheet).

- CLECs in Washington received additional payments of \$20,972
- CLECs in Washington received \$1,395 in interest payments
- All payments and March performance results are summarized in the attached spreadsheet.

If you have any questions, please feel free to call me at 503-242-5089.

Sincerely,

A handwritten signature in cursive script that reads "Ron L. Trullinger".
