**PSE Data Request No. 020 to Public Counsel and The Energy Project:**

RE: Andrea C. Crane, Exhibit No. \_\_\_(ACC-1T), page 16, lines 16-19

Please clarify Public Counsel's and The Energy Project's understanding of the time frame over which total revenues are "authorized" by the Commission in a general rate case, i.e., the test year or rate year?

**RESPONSE:**

Ms. Crane is a witness appearing on behalf of Public Counsel and The Energy Project. This response represents Ms. Crane's opinion and understanding. Revenues are authorized prospectively. Authorized revenues are then used to establish individual rates, which will be in place until changed by the Commission in the next general rate case.
