Certification that the ETC is able to function in emergency situations

- (610) **TracFone will be able to function in emergency situations to the extent that its underlying network providers are able to do so. TracFone provides service using the networks from several of the leading wireless companies in the nation, including Verizon Wireless, AT&T Mobility, and T-Mobile. TracFone relies on those networks' reliability in all situations, including emergency situations. Each of those companies complies with applicable requirements for emergency service, including available power supplies. Those network operators have implemented state-of-the-art network reliability standards, which TracFone and its customers benefit from their high standards.**
